

WWE 2K15 is the latest addition to the WWE video games series, and it has received an amazing response from fans and critics alike. A lot of people like this game because of how realistic and captivating it is. The gameplay makes you feel like you're actually there in the ring fighting for your life. However, for many gamers, all these great features aren't enough because they still want more. Luckily for all those gamers out there who want to get their hands on more content or new features for this game, we have good news. That's right! You won't have to get your hands on a brand new copy of this game. WWE 2K15 is already out, and you can get all the additional content from it from us . We have all the DLCs for this game, and we offer it to you DRM-free. If you want to get a new copy of this game for yourself, then that's fine too. We'll be more than happy to provide you with a fully working one of these games for free! We're committed to providing our users with the best possible services! To us, that means offering our users more than just a bunch of hacked games. We want to provide them with all of the DLCs for their favorite games. That's why we offer you all the DLCs and updates that they have to offer. We'll even throw in a fully working copy of the game just for good measure. We're very serious about what we do, and we're here to ensure complete customer satisfaction! Thank you for reading, and be sure to check out the rest of our website . It has everything that you need to know about our cracked games!

Sincerely,

Your friends at CODEX\* Sincerely Yours Friends At CODEX\* Version 1.3.0.0 Version 1.2.0.0 Version 1.1.1 Version 1.1- Fixed a number of framerate issues- Fixed a number of multiplayer matchmaking issues- Fixed a number of matchmaking UI bugs.- Online stability improvements.- Online connectivity improvements.- Addressed a variety of WWE Universe mode crashes, including backstage brawl matches and official editing.- The Community Creations menu has been updated to allow better filtering and searching for specific items.- Addressed an issue where Superstars were not always able to interact with other Superstars in the locker room when other actions were being performed at the same time. Fixed a rare issue where players were not able to interact with objects in the backstage area. Addressed a number of issues where Superstars were able to attack downed opponents during various transition animations, such as going from a reverse chin lock to a front face lock.- Addressed an issue where it was possible for users to unintentionally block their own finishing move as the opponent tries to execute one of their own.- Fixed an issue that could cause wrestlers' heads to clip through the mat when performing moves off the top rope. Dancing now interrupts pins and submissions causing those moves to miss completely. This update includes stability and performance enhancements, and addresses some issues that may have been encountered during the WWE 2K15 Showcase: One More Match mode.
